|-------------------------------------------------------|-----------------|
| Description (including Dimensions and Specification ) | OEM Part Number |
| <b>Set of cables</b>                                  |                 |
| <b><i>Layout dependent</i></b>                        | 102133288       |
| Cable with EMO button, 10 meters                      | BG596569-T      |
| EMO button, sealed, yellow                            | B4751454PM      |
| Contact block, 1nc, base mounted                      | B4751454ND      |
| <b><i>Layout independent</i></b>                      | 102133287       |
| Plug, CH type 12, Ø11.5, LNPE, 10 A, 250 V            | B4704161HA      |
|                                                       |                 |
| <b>Partial pressure measurement</b>                   |                 |
| QMS 200 F1 Prisma, 100 amu, 90°                       | BKM03111212     |
|                                                       |                 |
| <b>Spare parts</b>                                    |                 |
| <b><i>High-current section</i></b>                    |                 |
| Fuse link, 5x20, T, 250 V, 100 mA                     | B4666416        |
| Fuse link, 5x20, T, 250 V, 315 mA                     | B4666426        |
| Fuse link, 5x20, T, 250 V, 400 mA                     | B4666428        |
| Fuse link, 5x20, T, 250 V, 500 mA                     | B4666430        |
| Fuse link, 5x20, T, 250 V, 1 A                        | B4666436        |
| Fuse link, 5x20, T, 250 V, 1.25 A                     | B4666438        |
| Fuse link, 5x20, T, 250 V, 3.15 A                     | B4666446        |
| Fuse link, 5x20, T, 250 V, 4 A                        | B4666448        |
| <b><i>Heaters</i></b>                                 |                 |
| Fuse link, 32 A, CS173085                             | B52611019P      |
| Fuse link, 5x20, T, 250 V, 100 mA                     | B4666416        |
